

The prowess Meridian Health Group has garnered in health care provision shall be the corner stone to the success of Karatina Recovery Centre.

### Location

KRC is located in a serene and homely environment 1km from Karatina town along the main Karatina - Nyeri Highway.

### Our Vision

To awaken potential and restore hope in individuals suffering from substance abuse & addiction.

### Our Mission

To provide evidence-based and compassionately delivered rehabilitation treatment programs.

### About us

Karatina Recovery Centre (KRC) was established in November 2014 as a residential rehabilitation and treatment centre for mental and behavioral disorders, specifically substance abuse and addiction.

KRC becomes the 3rd in-patient healthcare facility under the umbrella of Meridian Health Group which comprises:

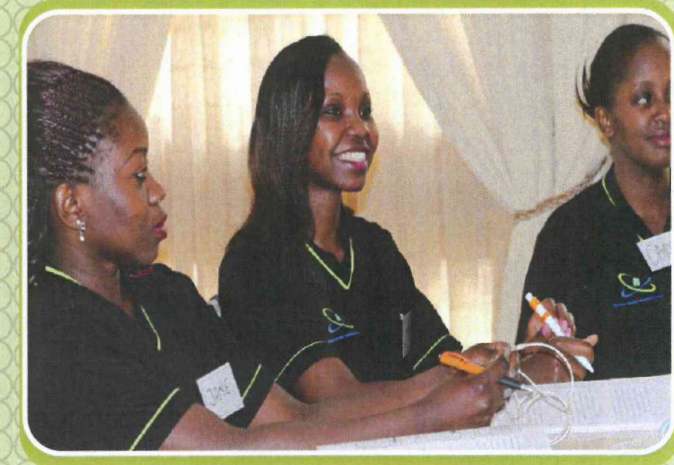

1. Meridian Medical Centre with 18 out-patient clinics countrywide
2. Meridian Equator Hospital – 50 bed facility in Nairobi West
3. Meridian Hospital Galana – 45 bed facility in Malindi

The Meridian Health Group has over two decades of experience in health care provision. It has rapidly expanded over the years becoming one of the leading health care providers.

### Treatment Program

The Minnesota Model will form the basis of the treatment plan for our clients. This will be integrated with the Therapeutic Community Model (TC) as well as other medically proven treatment models.

Our clinical team ensures that each client has an individualized treatment plan to see them through a successful re-integration program.

### Core Values

- Discipline
- Integrity
- Respect
- Compassion

### Our Staff

Our staff includes a team of qualified professionals including visiting Specialists in various fields. The non-clinical personnel are ably trained in the needs of the clients at the facility and perform their duties in tandem with outlined policies.
